## ABSTRACT OF CORRESPONDENCE

### Description of Incoming:

Mr. James Dannenbaum of Dannenbaum Engineering, Houston, Texas, has written to the Vice President inquiring whether a recent solicitation he received from the National Endowment for the Preservation of Liberty, on behalf of the Nicaraguan Refugee Fund, is genuinely supported by the Administration.

### Description of Outgoing:

The Vice President's reply notes that, while we know only that the National Endowment for the Preservation of Liberty is privately sponsored and not a government supported National Endowment, the Administration does definitely support the Nicaraguan Refugee Fund. The Vice President's reply points out that contributions can be made directly to the Nicaraguan Refugee Fund.
